ENGINE PUSH START/ STOP BUTTON
Place and step your foot on the brake pedal and push the Start button to start the engine

PM 2.5 AIR PURIFICATION SYSTEM
Developed to filter poor air quality and particle pollution. The system can bring the PM2.5 index down from 700 to 12 in only four minutes

PROJECTOR -TYPE HALOGEN HEADLIGHTS
Sporty look and provide stronger and better visibility

PANORAMIC SUNROOF
Allows light or fresh air to enter the interior

INTEGRATED MULTI-MEDIA SYSTEM 4.3" TFT LCD DASHBOARD ILLUMINATED SHIFTING HANDLE
The S7 features advances in-vehicle connectivity and infotainment system with a new generation of advanced technologies include a 4.3-inch TFT LCD Dashboard with Bluetooth mobile phone music, 10.2-inch touch screen, center console LCD compass, 9 speakers, 5.1-channel stereo system, SD + AUXillary + USB interfaces, and 12-Volt power supply socket

SMART KEY SYSTEM
Most convenient Touch Button System that can lock and unlock door from a distance

STYLISH INTERIOR
The S7 is equipped with leather upholstery and steering wheel that gives the driver optimum grip. It has excellent ergonomic design with the controls for the audio, Bluetooth, panoramic images and cruise control. It features an eight-way power adjustment driver's seat. A 4.3-inch TFT LCD dashboard provides relevant information about the S7's condition and systems status.

ELECTRONIC FOLDING SIDE VIEW MIRRORS WITH CAMERA AND WELCOME LIGHT
The electronic folding side view mirrors with LED turn indicators can be adjusted from the inside. The features ensures maximum visibility when driving under any weather conditions. The right door view mirror is equipped with a Side View System which offers a better view to assist the driver while driving or parking

360° PANORAMIC PARKING ASSIST VIEW
The 360° Panoramic Parking Assist View helps the driver monitor all objects close-by when maneuvering at low speeds

6 AIRBAGS
The S7 is built with six airbags to help increase passenger's protection in the event of front and side impact collisions

18" ALUMINUM-ALLOY WHEEL
Larger, sporty and off-road style wheels are mounted on the S7

7 DELUXE LEATHER SEATS
BYD S7 has a 7 seat capacity for a bigger number of passengers and spacious legroom for a better driving experience

BYD Engine 487 ZQA
The BYD S7 is available with 2.0-liter aluminum engine, which features 4 cylinders, 16 valves, Double Overhead Camshaft, Variable Valve Timing, turbocharge, stratified combustion, and direct injection, and mated to 6-speed DCT dual-clutch automatic transmission with two-wheel drivetrain

ANTI-GLARE PHOTO CHROMATIC REAR VIEW MIRROR
Anti-Glare Photo Chromatic Rear View Mirror helps reduce the glare of headlights from vehicles behind

AVAILABLE COLORS:  CHOCOLATE BROWN  DOCTOR BLACK  TIMO WHITE
